## Associate Certified Coach (ACC)

Issued by [ICF Credentials and Standards](#)

Associate Certified Coach (ACC) Credential-holders are trained (60+ hours) and experienced (100+ hours) coaches. They have demonstrated knowledge and emerging proficiency in the application of the ICF Core Competencies, Code of Ethics, and definition of coaching. Earners show a commitment to high ethical standards and have demonstrated, through rigorous assessment, professional competence in their work with clients. The ACC must be renewed every three years.

Setting Goals

### Earning Criteria

- Completion of at least 60 hours of coach-specific training that meets ICF guidelines for credentialing.
- Completion of at least 100 hours of client-coaching experience since the start of their coach training.
- Completion of 10 hours of mentor coaching with an eligible mentor coach.
- Submission of a completed application for the Associate Certified Coach Credential.
- Pass both knowledge and performance assessments at the Associate Certified Coach level.

### Standards

#### [ICF Core Competencies](#)

The ICF core coaching competencies were developed to support a greater understanding of the skills and approaches used within today's coaching profession as defined by the International Coach Federation.

#### [ICF Code of Ethics](#)

The Code of Ethics is designed to provide appropriate guidelines, accountability and enforceable standards of conduct for all ICF Members and ICF Credential-holders, who commit to abiding by the ICF Code of Ethics.
